

CRW 200

Fall arrester / Retractable rescue winch

EN 360, EN 1496/B

The CRW 200 is a combination of a retractable type fall arrester and a rescue winch. The casing is made of an aluminium alloy. The CRW 200 is fitted with a manual lifting and lowering device with a galvanized steel cable. The CRW 200 can be used independently or with selected tripods. In order to install the device on a tripod use a mounting bracket.
